

PROTECT YOUR PAYCHECK

You've earned it. Now you need a plan to help secure it.

Aflac is different from health insurance; it's insurance to cover the unexpected costs and daily living expenses that don't stop when you have an illness or injury. Benefits are paid directly to you, regardless of any other coverage you may have.

Learn how we can help you protect what you work so hard for every day.

Too busy to sit down and enroll for Aflac coverage. We have a new enrollment solution for The Diocese of Great Falls employees. Starting May 11th - May 18th I will be available to enroll via phone or in person.
