# Parish Leadership Day

Hosted by Bishop Jeff Fleming  
and your Diocesan Chancery Team

You are invited to join us for Parish Leadership Day 2023 - a day dedicated to Parish Staff and Volunteers with group sessions to help your parish community be the most successful it can be! We will begin the day with Mass, followed by important updates from Bishop Jeff, and several group sessions on topics we are getting the most questions about. Topics include: "Why are the Sacraments 'out of order'," "Not Taking Grants for Granted," "Change is Happening (Human Resources)," "Pastoral Councils," and many more.

**This day is designed for clergy and religious, parish staff, DRE's, Parish and Finance Council members, Catechists, Directors of OCIA, parish volunteers, etc.**
