Diocesan Mission Statement

“We, the people of the Roman Catholic Diocese of Great Falls-Billings, from diverse backgrounds yet guided by the same Spirit, are working together in Eastern Montana to forge new dimensions in our church. The sacred richness of our land and people shapes us. Rooted in the Eucharist and Catholic Tradition, we are living witnesses who struggle to embody the values of Christ’s reign. We commit ourselves to discover and make known God’s presence in our world by living the Gospel joyfully, working for justice and peace, and continuing our spiritual growth through a lifetime.”

Religion Vision Statement

The Catholic Schools of the Diocese of Great Falls-Billings are committed to supporting our families as the primary educators of their children. We work to develop students who nurture a relationship with Jesus and strive to live out gospel values of love of self and neighbor, while actively serving others, particularly the marginalized.

We create environments where students will actively engage in the liturgical and sacramental life of the Church, while fostering the responsibility to transform and enrich the world by developing their ethical and social awareness.
